16. The foot of every man will be measured on enlistment by a non-commissioned officer, in the following manner—Take the length (when man is sitting) with a size stick, and with a measuring tape the circumference of joints of toes (A, B), the instep (C, D), the heel and ankle (E, F), and for knee boots the calf (G, H), as shown in diagram. These measurements, and the size of boot required, will be passed with the recruits documents to the Service unit, where they will be recorded in a book specially kept for the purpose, and will be checked periodically. Where any difficulty is experienced in fitting from the ordinary stock sizes, a pencil outline of the foot, taken whilst standing on a piece of paper, together with the above measurements, will accompany the indent for the boots. A man will invariably be remeasured before passing to the Reserve.

* The first examination in precise writing will be held in March, 1908.

OSBORNE, ISLE OF WIGHT.

convalescent Home for Officers of the Navy and Army presented to the Nation by His Majesty the King.

Osborne is open for the reception of convalescent officers of the Navy and Army. Officers will be received at Osborne on the recommendation of the Director-General of the Medical Department of their respective Services, to whom all applications for admission should be addressed.

As regards the Army, recommendations for admission or applications from officers themselves, whether on the home or foreign establishment, should be sent direct to the Director-General, Army Medical Service, 68, Victoria Street, S.W. A medical statement of the case could be enclosed.

The accommodation at Osborne, which will be divided equally between the two Services, will provide for 43 officers, 5 of whom may be accompanied by their wives. Children will not be allowed to live in Osborne.

The entire daily stoppage to be paid will be 2s. 6d. per diem for each officer or his wife.

Medical attendance is free; but in certain cases requiring massage, special nursing, or other special measures, a charge will be made to cover the cost.

The duration of the stay of officers at Osborne will be determined by the House Governor and Medical Superintendent and the Commandant on duty for the month, subject to the approval of the Director-General, Army Medical Service.

Retired officers of the Navy and Army are admitted into Osborne on the following conditions:—

- a. If there is a vacant room at Osborne and there is no pressure for admission of officers on the Active List.
- b. That the disease or injury from which the officer is suffering is "directly attributable to the Service."
- c. That the officer has retired from the Service within five years from the date of the application for admission.
- d. That the Director-General of the Service concerned is the sole judge of the fitness of the case (medically) for admission.

H.R.H. THE DUCHESS OF CONNAUGHT.

Subscriptions and donations in support of the Charity will be thankfully received by Messrs. Cox & Co., Charing Cross, London, S.W.; by the Secretary, Colonel E. L. F. Jennings, M.V.O., to whom crossed cheques and Postal Orders on the Charing Cross Post Office should be made payable; or by the Superintendent Miss S. Anderson, at the Home at Hampstead.

The Home was constructed and is equipped for 200 girls, and the desire of the Committee is to maintain the full complement.

The need of such an institution is apparent from the fact that there are on an average three candidates brought forward at each election to every one admitted.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6d. a year from each Non-Commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

The Home is open to visitors daily between 10 and 5, except on Saturdays and Sundays.

The Committee invite the inspection of all friends of the Soldier.

MILITARY WIDOWS' FUND, BRITISH SERVICE.

(Late Queen's Military Widows' Fund.)

The Military Widows' Fund, British Service, was established in 1820 to alleviate the distress of families of officers of the British Service and to enable them to return to England without unnecessary delay. Whenever an officer of the British Service, who is a subscriber to this Fund, dies, his family receives at once, the following assistance, namely:—Six months maintenance allowance ranging from Rs. 2,400/ to Rs. 3,600/, according to rate subscribed, plus Rs. 1,500/ for passage for the widow, plus Rs. 500/ or Rs. 300/ for passage for each child, according to whether it is over or under 12 years of age. These benefits are secured by a small subscription of Rs. 4, 3, or 2 per mensem, which is regulated by the amount of pay an officer draws. An officer, immediately on becoming a subscriber, secures at once for his wife and children, quite irrespective of length of service in India, the full benefits of the Fund in case of his death.

In 1902 the sum of Rs. 31,200/ was paid in awards to families of deceased subscribers; and the total amount paid since the establishment of the Fund in 1820 exceeds Rs. 22,00,000/.

Copies of the Regulations of the Fund can be obtained from the Honorary Secretary at Simla.
